   a. The Final Proposal and these Terms and Conditions together shall constitute the full, complete and final agreement and understanding between Buyer and Seller with respect to the supply of Products and/or the provision of Services by or through Seller. These Terms and Conditions together with the Final Proposal constitute the “Agreement”, provided, however, that to the extent there is any conflict between these Terms and Conditions and the Final Proposal, the provisions of the Final Proposal shall control over the provisions of these Terms and Conditions. All Products supplied and all Services provided by or through Seller will be deemed to be supplied and provided solely upon and subject to the provisions of the Agreement, unless Buyer and Seller have negotiated and signed a separate formal written agreement for the supply of Products and/or the provision of Services that specifically refers to the Agreement and expressly states that it controls over the Agreement (an “Other Agreement”), in which event, if there should be any conflict between such Other Agreement and the Agreement, the provisions of such Other Agreement will control, but solely with respect to the particular Products supplied and/or the particular Services provided under such Other Agreement.

Seller’s acknowledgment of Buyer Documentation shall merely constitute an acknowledgement of Seller’s receipt of such Buyer Documentation and Seller’s acceptance of Buyer Documentation shall merely constitute an acknowledgement of the particular Products and/or Services ordered by Buyer, the dates requested by Buyer for shipment or delivery of such Products and/or performance of such Services, the instructions of Buyer for shipment of such Products, and/or the price to be paid for such Products and/or Services, in each case, (i) only to the extent consistent with the provisions of the Agreement and (ii) without constituting acceptance of or agreement to any terms or conditions set forth or referenced in such purchase order that differ from the provisions of the Agreement.
   c. The Agreement may be amended, modified or superseded only in a written instrument signed by Buyer and Seller that specifically refers to the Agreement and expressly states that it amends the Agreement.

Payments by check shall be sent to the payment location specified in Seller’s invoice and otherwise be made in accordance with the payment instructions set forth in Seller’s invoice.
